Activities

Kathy Moore reigns over Homecoming festivities

Preparations for homecoming began early this year and brought with them a week of exciting activities.

More than thirty girls were nominated for homecoming queen by clubs and homerooms. Ten finalists were elected, and from this group came the queen and her court. These finalists were Sandra Weatherbee, Kathy Moore, Sheila Jones, Debbie Burnett, Bonnie Bailey, Debbie Atchison, Brenda Buffkin, Terri Gladson, Debra Milton, and Pam Warren.

Activities began with a parade. Clubs were responsible for decorating the cars in which homecoming finalists rode. The parade ended with a huge bonfire.

A pep rally was held in the gym and football players were presented.

Our disappointment over losing the game to West End was tempered by fond memories of Coach Haggard and the thought that "it couldn't happen to a nicer guy."

Being on yearbook staff provides opportunities for learning, hard work, fellowship, and a variety of other experiences.

For instance, in what other group can one enjoy the lasagna and homemade ice cream that Debbie Shields makes? And where else can one observe the Bowling technique or learn from Casey how to smoke a pickle? Or where else could Susan receive such a generous portion of salt as David sells?

What other organization offers such experiences as feathering the halls of Samford University or prowling through a haunted house?

Along with all the fun, however, we squeezed in a few hours of planning layouts, choosing pictures, and laboring over copy and headlines. We even survived the threats of our sponsor; and much to her amazement, we met our deadlines.

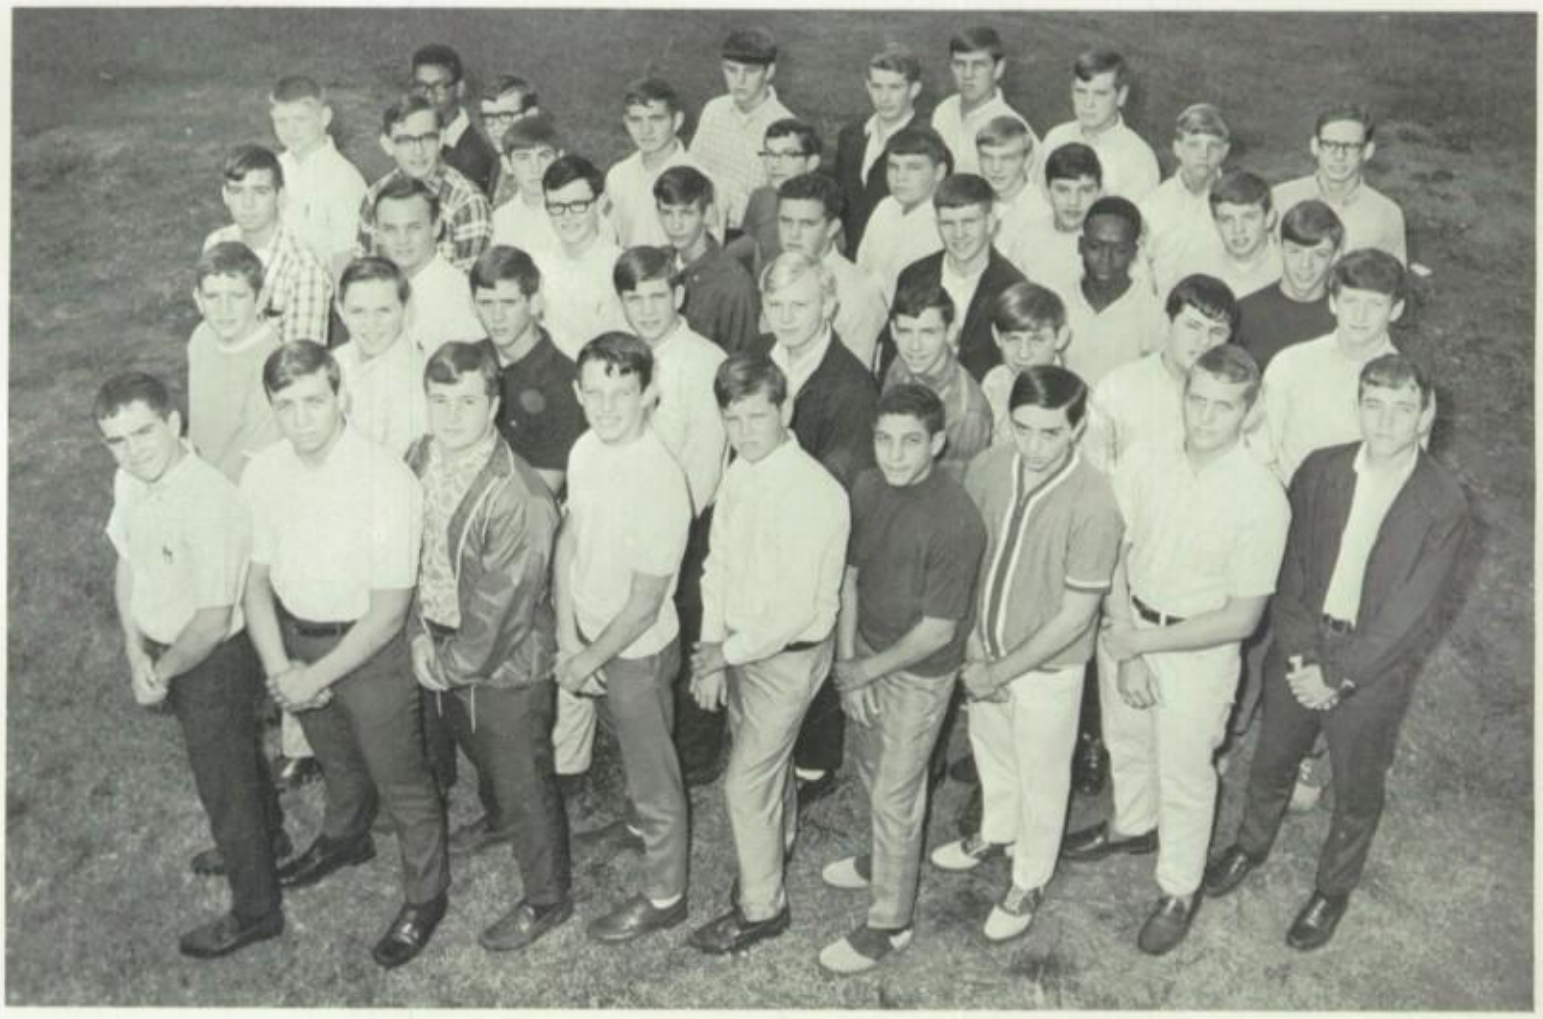
B-Club breaks legs — Shop Club mends them!



B-CLUB

Supporting all school athletics is the purpose of the B-Club. The club's goal is to prepare themselves for future membership in V-Club. Coach Sexton is the sponsor.

SHOP CLUB

Purpose of the Shop Club is to promote interest in the manual arts and to provide an opportunity for learning the use of modern shop equipment.

Mr. Felix King is the sponsor.

Library Club gives valuable aid to librarians

This year the Library Club hopes to promote greater interest in the proper use of books and libraries, to stimulate wider reading interests among students, and to improve the library service.

Club members plan to look into vocations through books and people involved in them, to make cloth books for children in foreign lands and to put one in every kit the Red Cross Club assembles. Field trips to local libraries are also planned.

Nancy Lyons, chaplain of the club, also serves as chaplain for the Jefferson County Student Library Assistants Organization.

Officers are Susan Rector, president; David Kennedy, vice-president; Wanda Evans, secretary; Nancy Lyons, chaplain.

Cheerleaders No. 1 in State Competition

Upon the shoulders of ten dedicated Brownies rests the responsibility of keeping school spirit high, planning pep rallies, and arousing a sense of loyalty to the team and coaches. All of this is accomplished by sheer hard work - hours of practice in summer and winter, buckets of sign paint and miles of posters.

Our cheerleaders are Debbie Burnett, Debra Milton, Debra Thompson, Gwen Kuykendall, Debbie Atchison, Peggy Delenne, Debra Garland, Sheila Jones, and Head Cheerleaders Kathy Moore and Sandra Weatherby.

Is your name "Debra"? Why aren't you cheering?

Driver Club emphasizes better trained drivers

Safer driving is the main purpose of Driver's Education Club, but many other projects are planned, among which are a new school flag and a "Goodwill" project.

Mr. Don Orton is the sponsor of this new club. The officers are Rick Nelson, president; Jerry Parker, vice-president; Delores Buzenlehner, secretary; Bruce Lambert, treasurer.

Art Club works to keep Valley beautiful

Hard work, fun, and talent are all characteristic of the Art Club. Hard work comes in when the club beautifies the school building and grounds. The beautiful Art Court and shrubbery around the school are projects of this group under the direction of Mrs. Sue James.

Fun and talent automatically go with the hard work as the club prepares Christmas decorations for the school. The major project of the Art Club is the Mr. and Miss Jones Valley contest, which will be held in December.

Officers are Mike Kassouf, president; Paula Franklin, vice-president; Eva Thompson, secretary; Lauren Parker, treasurer; Kathy McCormick, social chairman; Harold Ballard, Jennie Hoffman, Program chairmen.

Sports Club sponsors P.E. tournaments.

Sponsored by Mr. Clyde Thompson, the Junior Civitan Club of Jones Valley High School is the oldest in Birmingham. The purpose of the club is to promote good citizenship among young people. The club recognizes two seniors as best citizens of the class each year.

The major project of the club is to purchase waste paper cans for the school grounds.

Band says hearty "Thanks" to student body.

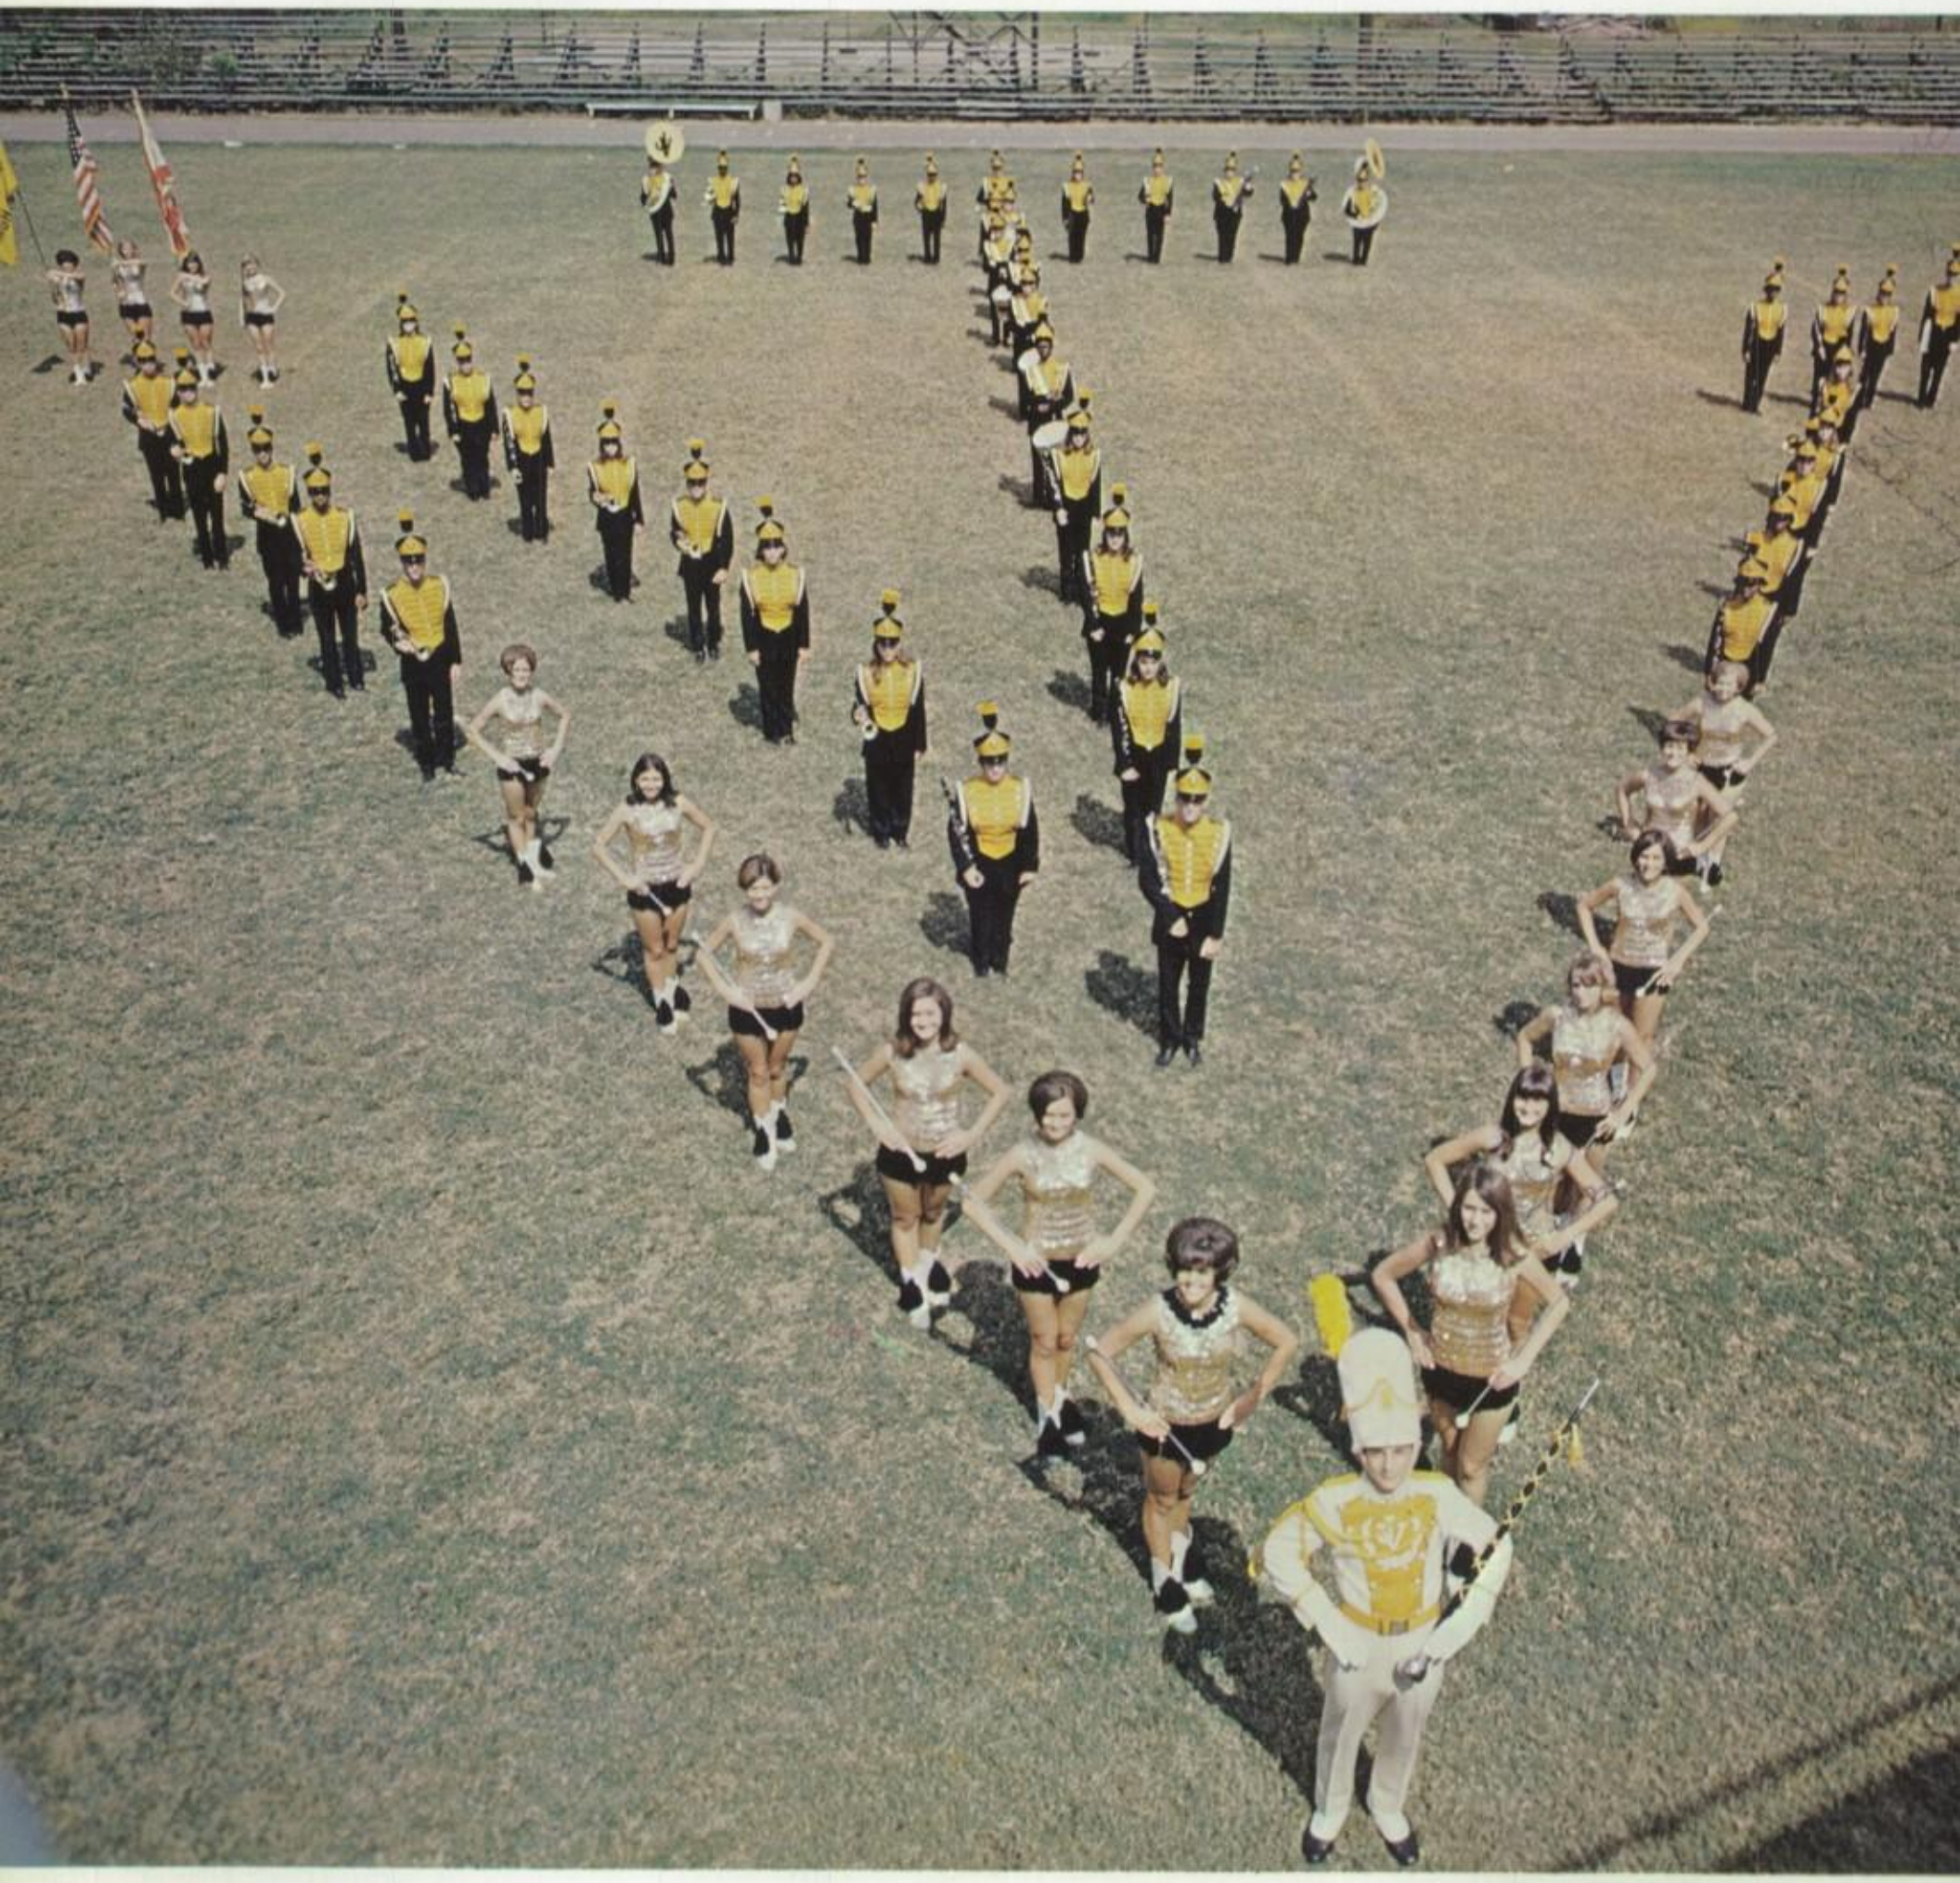
With the help of the student body, through a school-wide candy sale sponsored by the Band Boosters, the band was able to raise over $5,000 for the purchase of long-needed band uniforms. The old uniforms were twenty-seven years old; consequently, this is a boost to morale.

New interest and enthusiasm are very apparent, and the future looks promising for a better band.

Band officers for 1968-1969 are (back L to R) Ronnie Casey, president; Leland Brown, vice-president. (Front) Mike Kassouf, historian; Robert Wilson, treasurer.

Some tension is met through quiet waiting, some is met with a sense of humor, and some is relieved by the inevitable clown in any group!

Jones Valley graduate becomes Band Director



Shown above, proudly modeling new uniforms, is the "New" Jones Valley High School Marching Band, which is under the direction of Mr. Doug Noel and Drum Major David Minor. Much of the music comprising the shows is arranged by Mr. Noel, a former student and drum major of Jones Valley and a former member of the University of Alabama's Million Dollar Band.

Season opens with optimism despite problems

Varsity Squad

According to Coach Robert Harris, our '68-'69 Brownie team started the season hampered by injuries to four key players - David Williams, Rickey Hancock, Frankie Lee, and Randy Flynn.

Outstanding play by Walls, Cargile, and Brock has kept up the team spirit in spite of disappointing losses. As this page goes to press, Coach Harris and the team still are working for victories in the games yet to be played. Working very hard to accomplish this are our coaches shown to the right: Jerry Partridge, Joe Sexton, Robert Harris, Robert Herring.

Brownies shine with victory over Gophers

Ah! Too Bad! You lost!

ENSLEY - Go Big Jackets!!

In the season opener, the inexperienced Valley team had to face a tough Ensley opponent. The first half was an even battle with both teams' quarterbacks scoring in the second quarter.

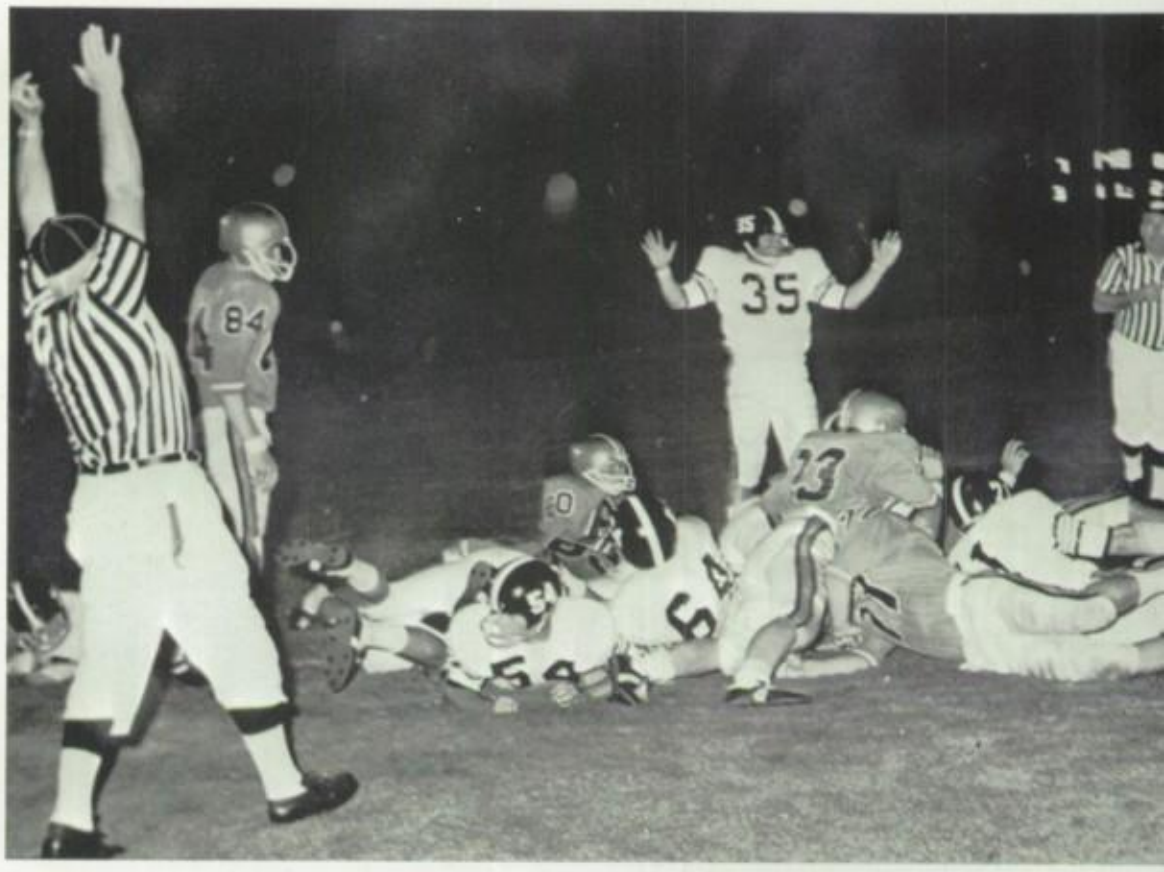
The Brownies' offense could not get rolling as it only had control of the football for ten plays in the second half. The decisive play came in the fourth quarter when Ensley scored their second touchdown to win the ballgame 14-7.

HUEYTOWN

Brownies, with only one loss behind them, went to Hueytown to win. Hueytown scored first, but the night belonged to Valley.

Ralph Brock ran for a touchdown and connected with Jerry Cargile on a 38-yard touchdown pass.

Hassel Walls had his disappointments when a 75-yard punt return and a 50-yard race to the end zone were called back on penalties. With Max Harbuck adding two PATs, the Brownies happily left the field with a 14-7 victory.



HUFFMAN

Jones Valley overcame many mistakes and beat the Vikings by a score of 19-6. Walls led the scoring with two touchdowns, scoring on a 92-yard punt return and a 62-yard run from scrimmage.

The final scoring play was a Brock-to-Croxton pass covering four yards.

FAIRFIELD

Brownies went to Fairfield to meet a team averaging 43 points per game and bound for the State Play-Off.

J. V. 's defence stopped the high scoring, and the offense seemed to be rolling. At half-time the Brownies possessed a lead that was established early. The game was very close, but Fairfield picked up a fourth-quarter touchdown to win 19-14.

Valley wins two and loses two by score of 14-7

WEST END

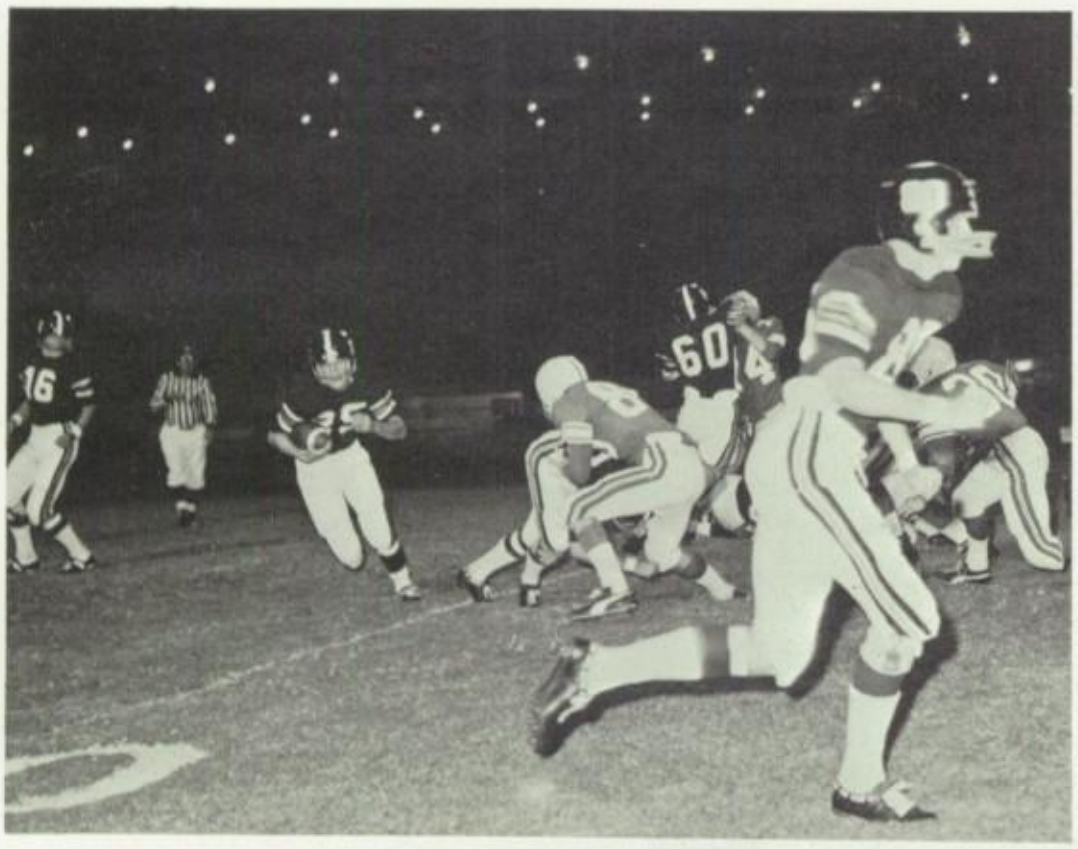
An improved group of West End Lions came to Legion Field in hopes of spoiling J. V. 's homecoming.

Ralph Brock had a fantastic night as he completed 11 of 12 passes for 133 yards. Brock also scored the only Brownie touchdown on a thrilling 72-yard scramble. West End's quarterback pulled them through as the Brownie defense allowed 281 yards rushing. The final score was 14-7.

WOODLAWN

Jerry Cargile, Valley's All- Metro and All-City end, led the Brownies against Woodlawn for our third victory of the season.

In the 14-7 thriller at Legion Field, the Brownies scored early when Andy Morris recovered a Woodlawn fumble on their 29-Yard line. The final touchdown came on a Brock-to-Cargile pass.



PHILLIPS

Although Ralph Brock and Hassel Walls had an outstanding night, they met disappointment. Brownie defense let the Red Raiders of Phillips score a touchdown to end the ballgame in a tie with just 28 seconds left.

For Valley, Brock swept the airlanes for 241 yards passing and two touchdowns on ten completions out of 13 attempts. Walls netted 147 yards rushing in 19 carries, including the final Brownie touchdown.

RAMSAY

J. V. Brownies had hopes of a winning season as they played host to Ramsay at Fair Park. Five times the strong Ramsay offense pushed deep into Valley territory only to be defeated in their efforts by an equally strong Brownie defense.

Although Brock passed for 229 yards, the rushing game left much to be desired. In the latter part of the last quarter, Ramsay scored; and the game concluded with a score of 6-0.

Season ends in proud but disappointing defeat

BANKS

Jones Valley and Banks have a full-scale football rivalry in the making. For the past two years, this game has had a State Play-Off berth riding on its shoulders. This year no berth was at stake, but for the Jets there was an opportunity for a City Championship on the line.

For 42 minutes the teams battled without any score. Banks then broke the deadlock with a 17-yard play. The Brownines made a gallant fourth-down effort, duplicating the excitement of last year's game; but this time they lost by a score of 13-0.

Jones Valley's basketball team, the shortest in the city in 1968-69, had a rought time against the taller teams. Under the coaching of Coach Joe Sexton, the Brownies fought hard to win many games.

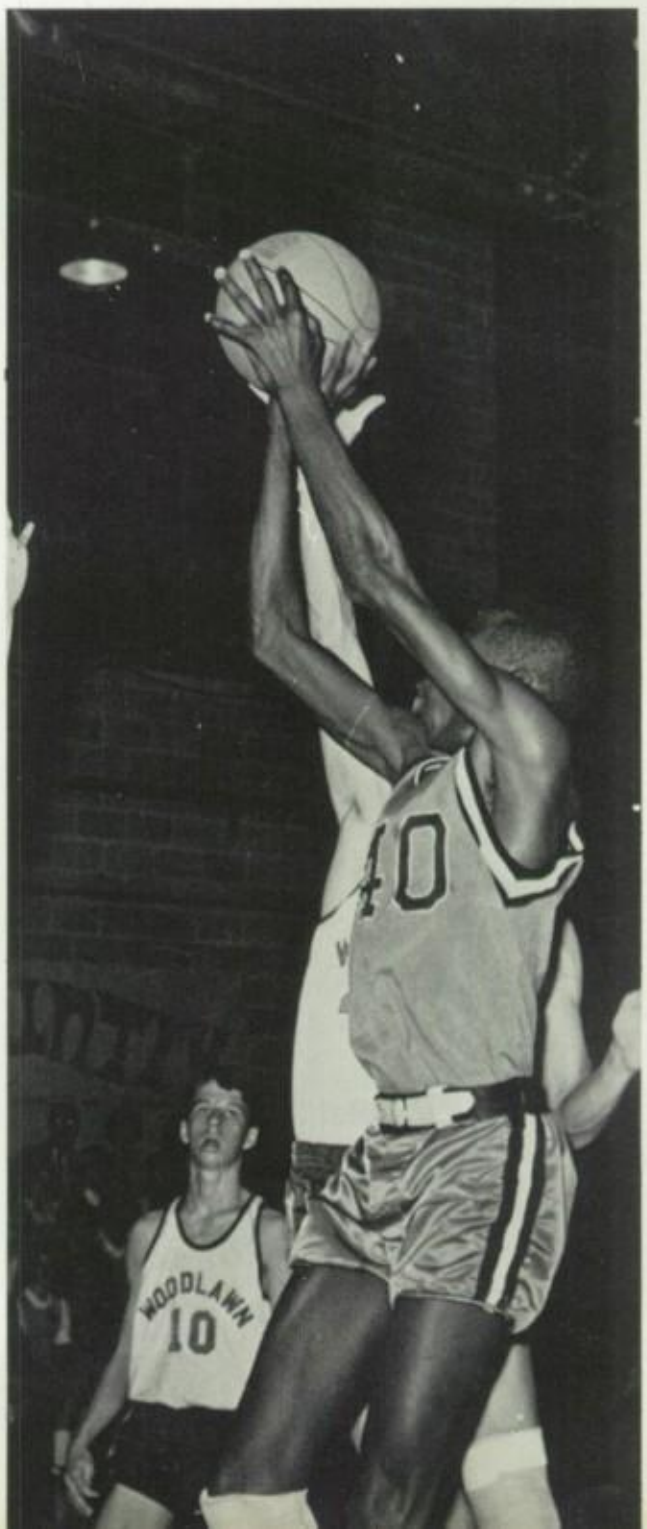
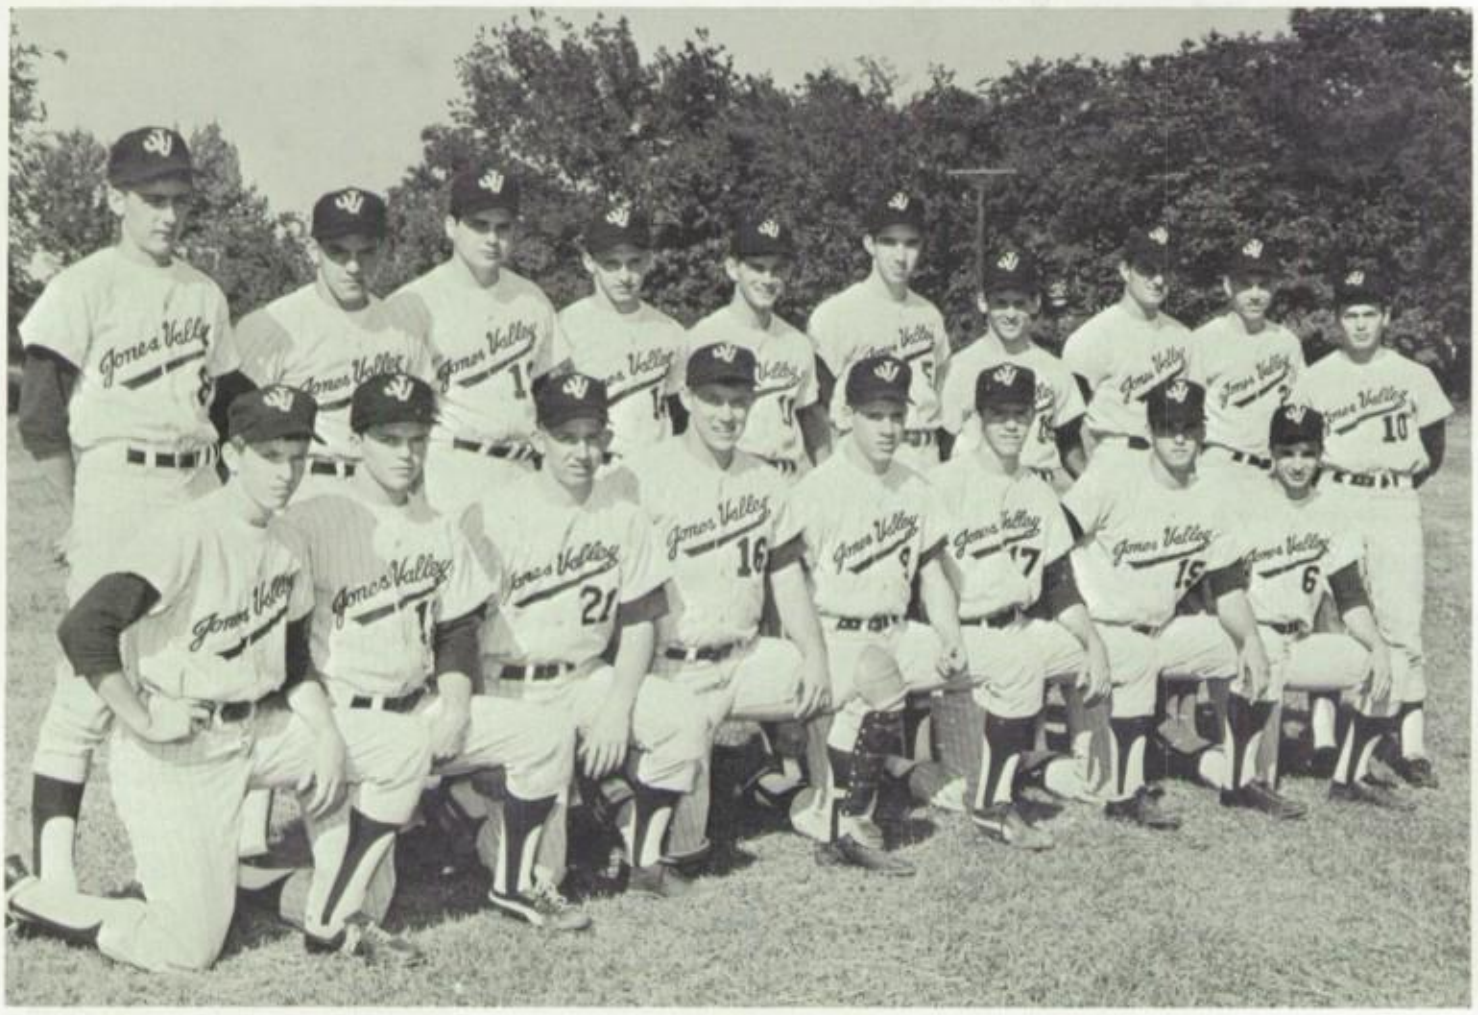
Victory finally comes as season end approaches



Swinging Brownies keep action lively



Jones Valley's baseball team, under the leadership of Coach Partridge, hustled to a winning season. With fine fielding and strong batting, the team was well rounded.

The team looks forward to an even better season this year as thirteen of the eighteen members are returning.

Track Team holds high hopes for season

Track fans are encouraged this year by the performance of the team thus far. Jerry Cargile has already broken the State record for the 440-yard dash. Ricky Hancock finished fourth in the State competition of the 60-yard low hurdles.

Under the direction of a new coach, Coach Gene Mullins, the team is already in training.

Features

To one whose concern and interest go beyond the requirements of her job, whose pride in being a loyal Brownie is well known, the BROWNIE STAFF expresses its appreciation.

For the beautiful shrubs and flowers around our school, for the Art Court, for decorations at many banquets, and for countless posters boosting school spirit for uncounted ballgames, we offer our gratitude and undying affection to

Do Jet to a great guy in my drawing class. May you have the best of luck in the future years to come.

Sorry,
I don't really know you but I think you are very sweet and cute. You have a good personality. Keep it that way! I hope Turner we remain friends. Stay sweet!

I'm glad we met this year

Tues. Class Card

Larry,

Even though it is Nov. '69, at least I'm signing it the year it came out!

You are the sweetest, greatest guy I've ever met and especially had the complete pleasure of going steady with. It's really been the most fabulous months of my life - hope they turn to many years. No need to hope for them to be fabulous if it's with you, they're gotta be!

It's almost been a year now, since we met, and thinking back about all the times we went to Toney's "(Ha Ha!), the Sun Send, everywhere I just can't believe it's all happened. Too good to be true.

Like I said before, you are the greatest - sweetest, cutest, most wonderful, and fabulous (if I can't say it, who can!) guy in the world. The only thing that is really wrong with you is that you go to Jones Valley! You could have at least picked a better school than that! Take Cosby for example - that's a great school!

Thanks for
helping me in MD
and for now so long

(cont from p3 Back)

Really J.V. is a pretty good school, I guess! I have to say some-thing good about it.

Sorry I'm taking up so much room, but, well I can't stop!

But now for the best part.

E.H.S. Best!

Ensley's no. 1 and you know it! Believe me I wouldn't lie about it.

Oh well, it seems I'm just about out of room so I'd better sign off now while there's still a little room left.

All the luck in the world for the future (I hope we share it) and may God bless you always.

All my love,
Susan
